

Other Charges

Pre-subscribed Interexchange Carrier Charge

The Presubscribed Interexchange Carrier Charge (PICC) is a monthly recurring charge applicable for long distance access lines. The line status determination is based on available MTA and/or incumbent local exchange carrier information. If MTA cannot determine the line status based on available information, the multi-line charge applies. This charge is considered jurisdictionally interstate and is subject to the Federal USF Surcharge.

The maximum assessment for this charge is shown in the table below:

Presubscribed Interexchange Carrier Charge (PICC)	
Line Status	Assessment
Single Line	\$ 7.00
Multi Line	\$ 7.00
Centrex Line	\$ 2.25

EUCL Charges

EUCL charges, otherwise described as Federal Access Charge or Federal Subscriber Line Charge on Customer invoices, is applicable to local exchange services for networks costs incurred by MTA to enable customers to receive calls from the customers of other local carriers.
